PLOT OF LAND

Large plot just outside the Architectural reserve of Arbanasi

The village of Arbanassi is one of the most picturesque villages in Bulgaria. This historic village, situated on the plateau with the same name, is only 6 km from the Old Bulgarian capital Veliko Tarnovo. Known for its Bulgarian Renaissance architecture from 16th-17th centuries, the village has some of the oldest and most beautiful Bulgarian houses, churches and monasteries from that era and has been declared as an architectural reserve.

The plot of land we have to offer to the market is 4079 sqm; it is suitable for business investment due to its close proximity to Veliko Tarnovo; it is very large, south facing and with nice views. This gives you a huge potential to start a successful business from here.

This large plot of land is easily accessible via an asphalt road. The plot is close to the monastery in Arbanasi and other traditional style properties in the area. Many tourists visit this village all year round for its uniqueness, swimming complexes, restaurants, cafes and bars.
