## Two-storey house with huge garden in a mountain village

This big property for a bargain price is situated in Radancheto. The village is located in the Dryanovo Balkan, 8 km from the town of Dryanovo and 15 km from the town of Tryavna. The house is in a quiet peaceful location, awaiting its new owners.

This interesting home is built over 2 floors with a total living area of 135 sqm. The first floor has a corridor, 2 big rooms, and storage suitable for bathroom. An internal staircase leads to the second floor that features 2 bedrooms and a closet. The house needs major renovation, but it's on a bargain price.

The garden to this property is huge 4750 sqm. It hosts some outbuildings and allows onsite parking. The property has water and electricity supply. The property has huge potential to become a wonderful holiday villa or a permanent residence.

This bargain price real estate offers you the peace and quiet you have been looking for. Its mountain locale and beautiful natural setting will never make you want to leave this place.
